THE IRRIGATION PROBLEM.

What the Plumb Bill Proposes to do With the Arid Regions.

The Senate Committee on Irrigation has considered Senstor Plumb's bill and authorized Senator Moody to report it with some amendments favorably to the Sanate, which be afterward did. The bill authorizes the Secretary of Agriculture, to cause to be made all the necessary field examinations, surveys and experiments for the boring of artesian wells, which question is the only point of disagreement on the Urgent Deficiency bill in the Senate, for the purpose of demonstrating the extent, irrigation of all the underwater flows out of the 174 votes cast in precinct thirtywithin the settled areas in that region of four, Silver Bow county. The matter then country lying between the 97 deg. of went over until Monday.

New Ocean Racers. Special to the Journal.

NEW YORK, April 3 .-- The north Atlantic will be churned by twin propellers this year, as it never has been before. The City of Paris will have to defend her ocean-crossing record against three new competitors, built expressly for speed. One of them, the Majestic, sailed from Liverpool to day under the command of Captain Parsell, formerly of the Tentonic. The others are the Norminnia and La Toursine. The agents of both lines say that the boats were built for record smashing. The Normannia will leave Hamburg on her maiden trip hither on May 22d, in charge of Captain Hebrich, now of the Columbia.

Special to the Journal.

· Washington, April 3 .- The House Committee on Judiciary has appointed a subcommittee to visit Alabama and neighboring Southern States and make an investigation of the alleged improper action of court officers in instituting prosecutions without reason for the purpose of collecting fees. It is also charged that sentences in oriminal cases have been suspended without warrant of law.

The House bill to amend the census law providing for the enumeration of the Chinese population was read with Senate amendments. Hale said there was a demand from the Pacific Coast that there should be some identification of Chinamen here and who had a right to remain here against Chinamen constantly stealing into the United States.

Irrigation Notes.

Special to the JOURNAL. SAN FRANCISCO, April 3 .- A. Hummond Hall, Chief Surveyor of the Irrigation Bureau, United States Geological Survey, stated to-day that very little was being done in hydrographic work in the California rivers, the appropriations for the present fiscal year having been expended long since. Some work is being done in measuring the volume of water in the Truckee and Carson rivers, in eastern California and Nevada. The importance of this work to the people of California cannot be overestimated, as it enables one to have a good knowledge of the amount of water available for irrigation. Out of the approyear but \$12,000 was alloted for work in California. Mr. Hall stated that \$50,000 yearly was needed in California, owing to the extent with which Irrigation was carried

Washington, April 3.—The House to-day took up the Idaho admission bill and after an extended debate passed it by a vote of San Francisco, April 3. -Oakland, 6; 129 to 1, the Democrats relusing to vote and the Speaker counting a quorum.

GAVE UP THE DUCK.

Washington, April 3 .- In an interview Huntamen Vielded the Ground Tempor arly to a Venerable Alligator.

An alligator, said by experts to be say enty-five years old, is on exhibition at Thunderbolt, says the Savannah News, and enlists universal interest on account of the prominence of its captors, who went duckhunting, and came very near being carried

The alligator was captured near Alligator pond, near Warsaw, under the following circumstances: 'Dr. J. Eddy, of Fall River, Mass , Frank Eddy, of Boston, and Osher Parsons, of New York, and son of George Parsons, who are with the Parsons party as Mr. Parsons' guests at Warsaw, of the measure. As many as fifty or sixty the dead fowl when the alligator thousand Republicans opposed it, but had the right of possession. Dr. Eddy, after a hasty glance at the huge fellow, concluded the alligator, by the right of eminent domain, ought to have the duck, and failed in part they insist that the law tance between himself and the wicked-

The Bostonian and young Parsons at for a while it looked as if the alligator would have it all his own way, but before given to 20 per cent. of the State where it reached the water the duck courage had experience shows it never can be enforced. returned to the party and one of them put.

The demand of yesterday's convention a rifle ball in the saurian's mouth which sinned it, and before it recovered consciousness it was made a helpless prisoner.

Will Reside Permanently in Carson.

T. B. Bickey, wife and daughters arrived in Carson yesterday from San Francisco. Mr. Rickey informs the Tribune that the family will now permanently reside in Carson, and if they cannot purchase a suitable dwelling house he will build one. Carson society will gladly welcome the family to its ranks. For the present they are domiciled at the Rinckel mansion, on King

Keep Him in Nevada.

The Tribune hopes that our farmers and horse breeders will get together and see to it that Sweeny's stallion, Gibraltar, is pur-Nelson, from Wallingford, who came to chased and kept in Nevada. Sweeny says Joliet to attend the Will county oratorical he will be sold at the sale advertised for April 15th if he only brings a dollar. Several California horse breeders will be here prepared to pay a good price for the stal-lion. Keep "Gib." in Nevada, and con-tinue to improve your stock. — Carson

Miss Carrie Cady has left here to reside in Reno. Hymen and emigration have so make sure of it. She got up and turned it reduced the list of marriageable young on. About 1:30 the watchman smelled gas ladies in Tuscarora, that there are searcely enough left to constitute a quorum. I looks as though our local swains would have to organize for the purpose of securing the importation of a supply of feminine timber or most of them will be fated to over them all day, but it is thought they wear their lives away sewing on their own buttons and loping along the pathway of life in single harnesses—Tuscarora Times-

It is hoped that Con. California will the aristocracy and royalty are at present have enough money left over after paying strained owing to some alterations in the expenses to pay a dividend some time this regulations under which ladies are presented to the Queen. It appears that a month pass without a dividend from some sented to the Queen. It appears that a one of its many mines, but that is just large number of titled women are making what occurred last month, to the everlasta considerable income by introducing for- ing disgrace of the mining interests of the

WEAT IS

SCROFULA

cumulating in the glands of the neck, produces unsightly lumps or swellings; which causes painful running sores on the arms, legs, or feet; which developes ulcers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, can-cerous growths, or the many other manifestations usually ascribed to "humors;" which, fastening upon the lungs, causes consumption and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can CURED It Be

By taking Hood's Sarsaparlils, which, by the remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for the disease. Some of these cures are really wonderful. If you suffer from scrofula, be sure to try Hood's Sarsaparilla.

"My daughter Mary was afflicted with scrofplous sore neck from the time she was 22 months old till she became six years of ago. Lumps growing to the size of a rigoon's egg, became a running sore for over three years. We gave her Hood's Sarsaparilla, when the himp and all indications of scrotnia mitraly dis-

appeared, and now she seems to be a bealthy child." J. S. CARLILE, Nauright, N. J. N. B. Be sure to get only Hood's Sarsaparilla Sold by all druggists. \$1; six for \$5. Prepared only by C. L HOOD & CO., Apothecaries, Lowell, Mass.

STATE AGRICULTURAL SOCIETY. - WILL BE HELD AT -

SACRAMENTO. COMMENCING APRIL 126TH, AND

ENDING MAY 3D, 1890. EXCLUSIVELY RUNNING.

It is the intention of this Society to make these meetings an important adjunct in the encouragement of meetings on this coast.

Twenty-five thousand dollars in stakes and purses will be contended for by representatives of the principal stables of Catifornia, prior to their departure for Eastern engagements.

The same management that has made racing a success at the State Fairs, will conduct these meetings, with the hope of making them as attractive in point of ententainment; as are those of the Fail meetings;
General admission, including seat in Grand Stand and quarter-stretch privileges, \$1 00.

250 Beautiful Lots For Sale!

A RARE CHANCE FOR AN INVESTMENT AND A HOME

THE MOST LOVELY PORTION OF RENO.

Facing the Truckee -The Aristocratic Avenue Riverside Driveway-Splendid Sewerage - Healthy Locat o and Safe From Fire.

The proprietor is now ready to receive proposals for lots in Powning's Addition. The map gives a good idea of the fract, which is situated between the Central Pacific Railroad and the Truckee River, and commences on the west at a point of the rapidly growing of members is rethree blocks distant from Virginia Street, making it the most central and convenient of any portion of the rapidly growing the desired at the form this Addition faces the heaptiful Truckee River and Riverside Avenue is town of Reno. Unlike any other part of the town this Addition faces the beautiful Truckee River and Riverside Avenue is certain to become the fashionable driveway of the country. The streets are 80 feet wide, while Riverside and Keystone Avenues are intended to be 100 feet in width. All alleys are 20 feet wide. The soil is a rich gravelly loam, and susceptible of the highest state of cultivation. Being situated as it is it is more safe from fire than any other section The regular lots are 50x140 feet. The sewerage is perfect.

Before Buying Elsewhere Parties will do Well to Look at These Lots.

RENO

Reno's geographical position is excellent. It is on the line of the Central Pacific Railroad, only 154 miles from Sacramento, and 244 miles from San Francisco. It is the terminus of the Virginia and Truckee Railroad running south, and of the Nevada and California Railroad running north. It has two Flouring Mills, Planing Mills, three Nurseries, a Soap Factory, Reduction Works, and other industries. A great Woolen Mill and a Sash, Door, Blind and Box Factory, are about to be established.

Reno has the Bank of Nevada with \$300,000 capital, and the First National Bank with \$200,000 capital. It has two fine papers in the DAILY and WEEKLY NEVADA STATE JOURNAL and the Daily and Weekly Gazette.

Reno is the natural home of the Alfalfa, and therefore the great cattle headquarters of the State. Here are fed the prime beef for the California market. Reno potatoes are the best in the world, and she also excels in Strawberries and the small fruits. Reno Wheat took the first prize at the great New Orleans Exposi-

RENO

Has no equal in Nevada or California for salubrity of climate, wealth of soil, diversity of products and stability. Situated in the very heart of the celebrated Truckee Meadows the future of Reno is assured. Reno is the City of Homes. There is not a house to rent in Reno. New buildings are occupied as fast as erected. Reno has advantages which no other town can equal. The climate is mild and genial in Winter, and even and healthful in Summer. There are no excessively heated or severely cold terms, and while the days may be warm in Summer the nights are deliciously cool; in Winter sleigh-riding is the exception is the Healthiest Town in Nevada. and not the rule.

Facilities for irrigating surpass any in the State and there is no failure of crops. Reno has Churches of all denominations, Bishop Whitaker's School for Girls, Mt. St. Mary's Academy, the State University, and splendid Public Schools.

The Reno Water Co. furnishes ample pure, cold water for all purposes. The Reno Electric Light Co.'s electric light system, already well established, is being augmented. The Reno Gas Co. supplies gas Is the Cheapest on the Coast for all purposes. The streets of Reno are lighted by electricity.
